InnVision the Way Home

Announces an innovative way to offset State & Local slashes to human services funding. Take a chance to WIN a beautiful \$3.0 million home in prestigious Los Altos Hills and help the homeless find homes too.

Funding is critically needed Now. The slow economy has impacted unemployment and loss of homes, causing a 20% increase in homeless seeking aid at InnVision- sadly, children are the fastest growing segment of the homeless population...Now you can win a home and other cash prizes and help us minimize the number of people digging for food behind our restaurants or sleeping on our streets.
